Superb Family Business Opportunity, Great Location

With a 20 year plus history as the only dedicated general freight and courier business in its area, this business has a lot to offer including returns of $108,000 to the working owner. The business services the needs of a growing residential and commercial clientele in a popular tourist destination and you too could immerse yourself in the location because the 5 bedroom house situated on 1ha of flat land is also for sale. The owner operates the business from this spacious property while enjoying the picturesque harbour/rural views. This is a fantastic opportunity for both a single buyer or a family operation as the business currently operates weekdays but you could consider a Saturday run if you felt this was a viable option.
