
Wholesale Biz To Biz Auto Parts, EBPITDA $390K

This outstanding import distributor of Automotive Parts with a cash surplus of $364,000 for 2018 FY is being offered to market for the first time in its 50-year history. Throughout the company s history exclusive relationships with international suppliers have been formed to keep this business as the leader of the industry segment they service.

Long term knowledgeable staff are at the shop front of the business and the delivery of high quality parts with top level customer service standards has seen this business obtain a large regular customer base right throughout New Zealand. A large immaculate warehouse in a great location allows for ample stock holding.

The original vendor is ready to retire, and this business would suite an owner operator with a passion or interest in the automotive field or a business minded person with the skills to take advantage of many potential areas of growth this opportunity offers.

Key Points
* Consistent profits year on year
* Long term experienced staff
* International supplier relationships
