North Shore ECE, Good license Size in Great Location

License for roughly 50 Children
EBIDTA $220K circa
Staffing circa 56%
T/O circa $1M
Asking $985,000 by negotiation

This recently refurbished, fully managed centre is ready for new ownership. If a vendor wants to be hands on, there would be approximately $100K to add to the bottom line for an owner/operator or keep it as is (fully managed). The vendor is truly hands off here leaving the business 100% to the current management.

The centre is extremely visible on a main road so it s typically not hard to find children here.

This is a special centre of a high calibre and will be sought after. It can easily make $250K as an EBIDTA with a few subtle tweaks.
