Paving Business for Sale, Price Reduced by $60K

StoneSet NZ is a unique resin bound paving business which is now up for sale.

Developed in the UK in 1999 and brought to NZ by its current owners in 2007, StoneSet NZ uses the process of combining natural stone aggregate and high-grade resins to produce a hard-wearing, long life, attractive, permeable paving surface.

The sale includes Sole NZ rights to the brand with technical support under a license agreement from the Australian Company of the same name. Plant and Equipment includes a purpose-built pebble screening, cleaning, drying and bagging plant.

This business easily generates a high gross profit as it is perfectly located in the desirable Central Otago region, close to an abundant supply of low-cost aggregates and decorative stone suppliers in close proximity with an affordable lease.

The business is driven by high quality web and social media sites which attract clients from throughout NZ. The main client base consists of Landscaping and Trade companies which are approved by StoneSet NZ to install their products in their
