

Food Processing / Packaging Business for Sale

BOP Location

219/2020 EBIDTA \$765k

2020/2021 FORCASTED EBIDTA \$850k (even with the Covid slowdown)

Fully managed

Suit Investor or Hands on operator

ASKING PRICE \$3.175M (Including BV Plant of around \$800k).

The vendor currently works in sales but has a full time general manager in place driving the business, The purchaser could replace the vendor with a sales person or choose to fill that role themselves.

Vendor open to a 6 month handover to ensure continued success, possibly vendor finance to the right buyer.

Staffing of around 25 people, this is an excellent operation with solid room for growth.

This operation to set up would cost in the millions, replacement value of the plant would be well over \$2M, extremely high end equipment, standards and product.

Price SOLD
