Import, Manufacture & Direct Sales

2021 EBPIDTA $850k

2022 forecasted EBPIDTA over $1M

This formidable business has become available after many successful years in NZ. Established over **60 years ago**, this business has some serious IP in the brand and ethical name. Primed to be expanded throughout the country and into Australia where they have only scratched the surface.

This business comes with established supply chains and a heap of further opportunity ahead. Just about all stock is Air Freighted (always has been) so little threat with supply chain logistics.

The vendors are simply selling to retire so the timing is perfect for an energetic / younger buyer to take this business on and to the next level.

This business is in the 'Home Décor/ Textile' Industry but suits a general business person as intricacies of the industry are easily picked up. The Vendor will stick around for up to 6 months offering an extremely solid handover.

If this has piqued your interest so if you would like to more get
