# Wholesome Foods = Healthy Profits

This Wholesale Natural Foods Bakery located in Sunny Nelson with National Distribution through Supermarkets and Organic Health Food Stores is now for Sale.

The brand Dovedale was established here in 1991 and is well known with a large following of loyal health-conscious consumers.

Dovedale is the market leader in the baking of gluten free breads with no added yeast, and they still use the traditional method of leaven fermentation, which produces loaves of exceptional quality and flavour.

Their range also extends to biscuits, crackers and cakes all made with healthy ingredients to proven recipes.

The factory operating under an approved Food Safety Programme is well equipped with modern plant and has space and excess production capacity to substantially increase their turnover. Staff are well trained and experienced and could run the business under management.

An appropriate assistance and handover period is offered.
