Profitable Light Manufacturing Company

- Outstanding reputation and market leader
- Clean, light manufacturing in well setup premises
- 2021FY Net Profit *$475K ($360K cash surplus after removing the Covid wage Subsidy)
- Consistent year on year growth
- Long standing experienced team of staff
- Time off over winter months

Based in West Auckland and established over 16 years ago the company manufactures home improvement products and are the market leaders within the industry. A seasonal (but steady) business the Vendor works only part time over the winter months, allowing time off for skiing and other family activities. Now is the perfect time to take over this business before it ramps up over the summer months. Because of seasonality a new owner can potentially *earn considerably more than last years $360K (depending on settlement) between now and the end of the financial year 2022.

The company employs a manageable team of *9 experienced and reliable staff who have been with the business for many years. There are good systems, and processes in place and the business is associated with a supportive first-class
