Profitable Accountancy in the Suburbs

This successful, full-service Chartered Accountancy Practice is ideally located on the southern side of the harbour bridge in Auckland.

Based in an affluent Auckland suburb, this one partner practice has been providing friendly and professional service for over 20 years and has developed to a point where annual fees exceed $1m. The current owner is looking to take his professional career in a different direction and is likely to leave the city behind and take a move into regional NZ.

With a stable and experienced staff, including two fully qualified CA's we are assured of a flexible handover period to suit the right purchaser. So, if you are looking to expand your current practice through acquisition and a practice in suburban Auckland would suit your plans then this is not to be missed.

Please note: This is the sale of a going concern and is not the sale of a book of fees. The successful purchaser will be expected to take over the lease, the staff as required and the systems, which is reflected in the price. If you are seeking your own accountancy practice with an established fee base to leverage or build on, then let's talk today.
