Profitable, Established Accountancy Practice with 2 Locations

This well-established two partner accountancy and business advisory practice has offices in both the Bay of Plenty and Hawkes Bay and an established client base in Auckland.

The business is new to the market as the current partners have decided the time is right to take their business careers in a different direction.

With annual fees exceeding $1.2m and a strong EBIT (adjusted to remove directors' remuneration) in excess of $600k this is an opportunity not to be missed.

The practice has an experienced and stable work force and multiple income streams with flexibility in current building leases, it is a great opportunity to expand into the areas this practice operates or even add this business to an existing operation. We anticipate the practice will be of interest not only to local practitioners but also those looking to grow their businesses into Bay of Plenty/Hawkes Bay or Auckland regions.

Please note: This is the sale of a going concern that will be zero rated for GST purposes. If you are seeking a substantial
