Lock This One Away Now Before Anyone Else Buys It

- If you want the freedom of being self-employed, make your own decisions and reap the very acceptable financial rewards this business is already producing - keep reading...
- If you are keen to be part of the housing boom without the hard graft of building, and buy a business with definite scalability - keep reading...

This business is the Rodney branch of a very successful national Dealership framework and ticks all the boxes with a range of products that meet the demands of the very discerning client base - both commercial and private, and with a lucrative product service division in place open to all the public.

The efficient organisational structure of this business allows the staff to take ownership of their roles and provide a seamless sales and supply process for the clients right through to the finished project; and more importantly allows the owner to work on the business, not in it - to focus on continuing to grow the business even further.

The financial performance of this business has been unaffected by Covid - and has continued to grow in both
