

SOLD

Rural West Auckland ECE

Circa 30 License

EBPIDTA circa \$120k per annum (to 1 working owner)

Asking \$400k* by negotiation

*Including a freehold Building with a PC Value of \$150k.

The owner is selling for genuine reasons after many years in ECE. We are after a quick simple sale (more details given to approved purchasers once a CA has been completed). It's a beautiful small centre, backs onto a school with obvious benefits. The ideal purchaser would be a working (Qualified/Registered) owner but an owner with a new Manager in mind would also work.
