# Accountancy Fees in Canterbury

Looking to expand your accountancy practice in Christchurch? We have an exciting opportunity for you!

Offered to the market is a small but growing block of accountancy fees within an easy commute of central Christchurch. The practice has a loyal and growing customer base of both tradespeople and small businesses and is the perfect addition for any practitioner looking to grow through acquisition.

The sale has arisen due to the vendor moving out of the district, providing a unique opportunity for interested parties to purchase this thriving business.

Originally starting as a part-time endeavour by the vendor, the practice has quickly grown over the last three into a full-time proposition where fees for 2023 are expected to be well over $200,000.

If you are interested and would like more information about this business, please get in touch and I will send you a confidentiality agreement (CA) to sign. Once the CA is returned, I will provide an Information Memorandum with more details.
