Low Overhead, High Profit - Service/Hire Business

This security solution integration business boasts a remarkable 14-year history and has established itself as a pioneer in delivering a comprehensive range of essential security services to commercial, retail, and residential customers. The name of the business itself is synonymous with their commitment to providing top-notch security solutions, ensuring clients benefit from a seamless, all-in-one security experience.

While located in South East Auckland, the business extends its professional services nationwide and boasts an impressive clientele that includes prominent retailers. Notably, the company and all staff hold PSPLA approvals, a testament to their commitment to delivering exceptional services.

Given the current climate and increasing emphasis on prevention measures, the security industry proves to be highly lucrative. The business has a well-structured website showcasing its diverse services, but much of its success stems from word-of-mouth referrals and repeat clients.

The day-to-day operations are managed by the working owner, who leads an excellent team of skilled technicians
