# Thriving Engineering Business with Custom Offerings

This dynamic engineering company specialises in custom trailer manufacturing, heavy transport engineering, and general fabrication, serving a diverse client base with high-quality workmanship and innovative solutions.

With over a decade of proven success, this business is a trusted name in the industry, known for its expertise, reliability, and strong customer relationships.

Key Highlights:
 Established & Profitable – Strong industry reputation with consistent revenue
 Skilled Team in Place – Experienced fabricators, an apprentice, and office support staff
 Fully Equipped Workshop – 500 sqm facility with dedicated office space and a large yard
 Growth Potential – Modest marketing efforts mean untapped expansion opportunities

With a solid pipeline of forward orders and room to scale operations, this is an excellent opportunity for an engineering professional or an existing business looking to expand its footprint.
