Manufacturing with Flair

What this business can do with wood is exceptional and will be perfect for someone wanting to have a business with some excitement in what they create.

They specialize in creating high end wooden products for the construction, landscape and sculpture industries. With their unique manufacturing techniques and machinery, they are able to make products that no one else can and have no NZ based competitors.

They also have exclusive distribution rights for an amazing product and someone with a sales background could push the utilisation of this much further in multiple industries.

- Several unique products that no one else can produce
- Exclusive distribution rights for unique product
- West Auckland based workshop just off the motorway
- FY25 on track for circa $145,000 EBIPTDA
- Proven trading history of over 30 years
- Good cash flow and low working capital required
- Diversified income streams and clients
- Baseload of regular monthly customers making up some 30% of sales
- Detailed and easy to understand operating instructions and production notes for all machinery and products
