

Finance Business – \$216K Return + \$155K Ledger

Returning *\$216,000 in the 2014 financial year this company specialises in secured and unsecured short term lending. Operating since 2010 the business has grown year upon year and has a current ledger of circa *\$155,000. This would be a great acquisition for a company already in this industry looking to expand their current operation. Or, with training and support this is an excellent opportunity into this lucrative market for someone new to the industry. The current owner is willing to train the successful purchaser or their employees in the finer details of the business, including the most important aspect – the loan approval process.

The business is in a good South Auckland location perfect for this type of operation and the company is seeing a massive increase in new client applications due to new marketing campaigns. This is a good business with loads of potential to expand and would be a great extension for a mobile truck shop operation, finance company or first time buyer looking for a profitable business. Asking price: \$250,000 including plant & \$155,000 ledger.
