2014/15 Profits on track for Circa $800k

A simple business to run in the NEW AGE of ONLINE MARKETING with options... 1. Invest 50% $1.15M into the business as a 50% shareholder, grow the business with the current owners & buy them out after 12 months (based on the same valuation method). 2. Purchase the Business outright; keep the vendors on for 6 months as paid consultants creating a safe & lengthy handover. This business specialises in online marketing, sales & people management & is positioned as one of the market leaders in the fastest growing sector of marketing in the world. Having adapted & expanded to meet current market demands, this dynamic company assists mainly SME business to succeed online as well as international & publicly (NZX) listed companies. EBPIDT is on track for circa $800K (based on actuals to Oct 2014) & the company's personal growth sits at circa 60% year on year, showing no signs of slowing! With just 7 staff (incl vendors) it's realistically forecasted (with no additional staffing numbers) to make in excess of $1.1M for the 2015/16 financial year. This could be well exceeded through employing more sales & account managers as well as multiple new add-on's (already in development) in house & externally. Supported by a strong, satisfied customer base, clients love this business as essentially you are making more money for them plain & simple. With many current customers stretching back to when
