Great Biz Model, Cash Surplus \$276K, Relocatable

This nationwide, clean, maintenance business is already enjoying a \$276,000 (Draft Accounts) Cash Surplus for the financial year end March 2015 and has been showing year on year growth for the last 6 years. They have clearly established themselves and are well recognised within their industry and have a very strong domestic and commercial customer base that is growing almost daily. One of the keys to their success was clear and concise business planning after finding out very early on that the current business model could not be maintained at the rate it was growing, so common sense advice was sought and as a result, a system was developed and a comprehensive programme was designed that has proven to have a definitive growth path that is suitable for both New Zealand and Australia. Currently located in premises in the Auckland region with 4 staff and 2 installation contractors, the business could quite easily be relocated to be operated from a home base if you prefer – anywhere in the country. This is very much a business with a clear and defined track record to grow exponentially based on its current platform alone, yet expansion through franchising is further common sense for this business as the key systems have been professionally developed, fully documented and put into place – ready and suitable for both New Zealand and
