Busy Freight Forwarding Co. Excellent Margins!

For the last 10+ years this freight handling company has been breaking boundaries and setting the standard of efficiencies in moving product around the world. They pride themselves in being innovative, creative and cutting edge in their application to the task at hand - and they deliver the promises internationally! This company understands that time is money to their customers and have set up their systems and services to ensure they are a one stop seamless operation starting with pickup, freight, in-house customs clearance, warehousing and distribution; delivering professional, reliable and cost effect freight solutions to large and small clients. As this is a very profitable business that is on the market for the first time, it will be an attractive option for an existing freight forwarding company, an investor who may like to take advantage of the vendors offer of their possible ongoing association with the company or a person who is currently employed in the industry seeking an opportunity to move into their own business. The Vendors are prepared to provide a very generous handover period. Asking $1.75 million. The Vendors have instructed us that all applications must be strictly pre-qualified prior to receiving further information. If you have a strong desire to even further grow an already very successful business and would like to find out more, please visit www.barkerbusiness.co.nz to
