$480K Cash Surplus Manufacturing / Import / Dist.

This long established business is a market leading, award winning, 100% New Zealand owned and operated manufacturer and importer who supply's to the inbound supplier tourist trade across NZ and to other NZ organisations. The company has built their enviable, proven reputation on providing a streamlined manufacturing and branding process for their customers which include quality control, bar-coding and packaging - right through to dispatch, without reliance on any other party. They found that by controlling the whole manufacturing process in-house they deliver superior performance in quality, lead times and value, enabling them to stand out from the crowd. The business is a go to, top of mind company for their reliable manufacturing and offers an extensive product range to their substantial client base. And while NZ Made is the preferred option of tourists, there is also an imported range on offer for the price conscious buyer. To maximise margins the company has direct importing relationships off-shore, resulting in a very stable turnover. Profits have been very steady for the past 4 years and there is very talented, long standing workforce in place. There is accommodation on the premises in the form of a one bedroom apartment which is currently tenanted. Asking price is $600,000 plus stock of $900,000 to $1,200,000 - Stock value
