

Multi-Faceted Biz, 20 Year History & Room To Grow

This nearly 20-year-old multi-faceted business is limited only by your imagination.

Working closely with a variety of key Auckland retailers, this South Auckland based business provides products, service and support to an Auckland wide base; with their service and support being final key to customer satisfaction. They also provide expert service to households and businesses in many other ways, and although the capabilities of this business have expanded, the reins have been kept tight on growth. With the current owners deciding it's time to retire, the opportunity is here right now for a new owner to release those reins and allow the growth to occur – maybe beyond your imagination.

Ideally suited to a couple / partnership, it is a 6 day a week business, but a very capable key senior staff member could allow the owners to determine their own hours.

This is a rare opportunity to own a business which is quite unique in many ways and has genuine growth opportunities, is easily learned, and is producing an EBIPTDA of over \$200K.

Asking price is just \$597,000 (plus GST if any).
