The Wheels Are Turning & Profits Are Rising!

Having been in operation for 15 years, this well-recognised business caters to the exciting, growing, tourism industry. Providing a great value, luxury service, to international, local and corporate groups as well as schools throughout New Zealand; profits are soaring and with low operating expenses you could operate this business comfortably with limited hourly input. However if you would rather be more hands on, jump right into the driver's seat!

We are told that there is a serious shortage of providers of this type of service, and as the new owner you will benefit from the repeat clientele, varied revenue streams and all the ingredients needed to continue and expand on its success.
